Talk to experienced shelter staff and knowledgeable rescue people who can help match your family and lifestyle with the best breed, age and temperament of a dog or pup.

There are over 200 mix & pure breed dog rescues, plus 88 county run dog shelters plus numerous more private shelters in Ohio. Before you go to a pet store or breeder, please consider helping us save the life of a pure or mixed breed dog/puppy or cat/kitten by adopting from a rescue or shelter.
